

Blackboard Assessment – Question Types

True/False

True/False questions allow the user to choose either true or false. True and False answer options are limited to the words True and False.

Question 1 10 points

Is this statement true or false? Bill Clinton is our current President.

- True
- False

Multiple Choice

Multiple-choice questions allow the users a multitude of choices with only one correct answer. In multiple-choice questions, users indicate the correct answer by selecting a radio button. The number of answer choices is limited to 20.

Question 2 10 points

What is the capital of Texas?

- Dallas
- Austin
- Beaumont
- Houston

Fill in the Blank

Fill in the Blank answers are evaluated based on an exact text match. Accordingly, it is important to keep the answers simple and limited to as few words as possible. Answers are not case sensitive, but are evaluated based on spelling. Keep answers limited to one or two words to avoid mismatched answers due to extra spaces or order of answer terms.

Question 3 10 points

Complete this quotation from Shakespeare's *Romeo and Juliet*. But, soft! What _____ through yonder _____ breaks?

Multiple Answer

Multiple answer questions allow users to choose more than one answer.
