## Creating A Module Page

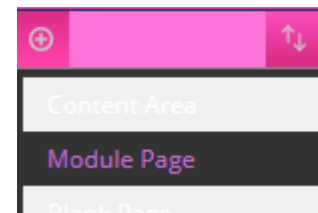

A Content Module is a window that displays related content and/or links to other content within Blackboard.

### To create a Module Page:

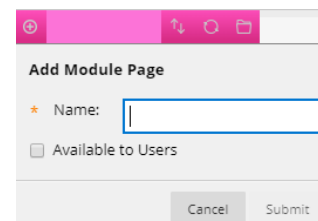

Log into Blackboard and go to your class or school Blackboard course. Make sure **Edit Mode** is turned on. Edit mode is on if you see a green dot.

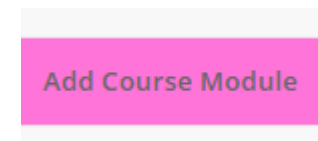

Click on the Plus sign to **Add Menu Item** and select **Module Page**.

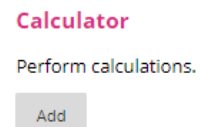

**Name** the Module Page and select **Available to Users**. Click **Submit**.

Click **Add Course Module**.

Press **Add** to all the modules you want to include in your site. Press **Remove** if you have added one that you want to remove.

Click **OK** at the bottom right.
